

Agri-Tourism/Niagara Wine Trail

The Lower Niagara River Region awaits the traveler seeking sleepy back wood vistas, a beautiful combination of wineries and a truly rural life. The Town of Porter is rich in agri-tourism opportunities. Roadside farm stands will tempt you with their fresh homegrown produce, including some of the tastiest apples in the U.S. Nestled between the famous Niagara Escarpment and Lake Ontario, the Niagara Wine Trail awaits you. The area offers a unique micro-climate suitable for the production of world class wines. You don't have to spend a "Year in Provence" or be "Under the Tuscan Sun" to enjoy the good life!
