The New York Power Authority's Power Vista hosts new interactive exhibits that invite visitors of all ages to have a completely hands-on experience as they learn about how hydroelectricity is harnessed and the significant role that hydropower played in the Niagara Frontier. The Power Vista overlooks the spectacular Niagara River Gorge. Many free events are hosted here throughout the year, including "Every Day is Earth Day" on May 6, the 21st Annual Wildlife Festival September 23-24 and the Halloween Spooktacular on October 28. For a complete schedule of events, visit www.nypa.gov/vc/calendar.asp.
