Re: Food Service for Students
From: NWCSD

The Niagara Wheatfield Central School District is committed to providing ALL students with meals unless we are advised otherwise. Below is our current plan for providing meals to our students.

Who

- We will have a grab and go meal assembled for each and every student.

What

- The grab and go bags will consist of two meals (breakfast and lunch), as long as we have the resources to provide for both meals.
- Families should notify individuals at pick-up locations if their child has a food allergy, as grab and go lunches will be made to meet these medical restrictions.

Where

- Meals will be available at each child's school of attendance. Families who have children attending more than one school will need to pick up meals at each location.

When

- The Food Service will begin on **Wednesday, March 18.**
- We ask that families follow these time guidelines (when possible) to avoid crowding and traffic issues:
 - Last Names - A to M - 11:00 am -12:00 pm
 - Last Names - N to Z - 12:00 pm - 1:00 pm

How

- Families will be asked to pick up the grab and go meals at the school(s) their child(ren) attends.
- Each school will set up a location for meal pick up.
- Families are asked to present identification at pick up.
- Families who do not have a way to pick up meals should call their child(rens) school(s) and ask to be put on a drop off list.

Please be patient as we work through the logistics of this very important service. The process will likely evolve during the days and weeks ahead.
