

Personal Touch Cleaning Service – Residential Cleaners

Call (716) 754-1889 with your phone number and a brief description of your experience to set up an interview. Please read all of the information below.

Looking for **honest, detail oriented, responsible, organized and reliable** cleaning personnel for a Lewiston based, cleaning service. We are looking for employees that have the intuition to know what needs to be done based on the personal needs of our customers and are conscious of time management. Most residential jobs are located in the Lewiston and Youngstown area. Our hours are listed below.

We are a 28 year old small company that takes pride in our work and are proud to know we are helping make our customers lives easier. We have never advertised, our customers come from word of mouth. Our reputation exceeds us for dependability and detail cleaning. We train you on specialty products and how to professionally care for our customers homes.

You will be covered under our insurances. We are fully insured and bonded.

You are required to have your own vehicle, valid drivers' license and clean police record.
