

# BUSINESS BLENDERS

## 2020

The Chamber hosts five Business to Business Networking Blenders throughout the year. They are held after business hours at different locations throughout the Niagara River Region. The host location serves hors d'oeuvres and a cash bar is always available. The cost to attendees (members, prospective members and invited guests) is only \$10.00 at the door.

Enjoy a great night of networking, developing new contacts and creating business, brand and name recognition. Business cards are collected for special door prize giveaways. Prize donation opportunities are also available. Sponsors are able to take advantage of business exposure before, during and after the Networking Blender.
